## Tally charts

### Tally charts

#### Introduction

Choose a question based on the attributes of the learners in your class and complete the tally chart below.

#### My Question:

What is the most common hair colour in our class?

Choose your question

Pick five options for the learners in the class to choose from

Do you need an 'other' option?

Hair Colour	Tally	Total
Brown		
Blonde		
Ginger		
Black		
Grey		
Other		

Animal	Tally	Total
		6
		12
		7
		5

Our Favourite Fruit

## Sticky Knowledge:

- To know that data is information processed or stored by a computer (including text documents, images, audio clips, software programs, or other types of data).
- To know tally charts can be used to collect data.
- To know how to create a pictogram using a computer.
