

### Glossary:

- Mock up – quick 3-D modelling using easy to work and cheaper materials and temporary joints. Useful for checking proportions and scale.
- Budget - an amount of money assigned to a project.
- Pattern or template – a shape drawn to exact shape and size, used to assist in cutting out.
- Seam allowance – extra fabric allowed for joining together - 15mm for domestic patterns.
- Specification – describes what a product has to do.
- Tacking – large running stitches to hold pieces of fabric together temporarily.
- Working drawing – detailed drawing contains all information needed to make a product but is updated as changes are made.
