

Year 1 - Spring – Why do we remember Florence Nightingale?

legacy

What I need to know by the end of this unit:

- Florence Nightingale was a significant person in history.
- Florence Nightingale was an important person to nursing.
- Hospitals have changed over time to become cleaner.
- Florence Nightingale trained nurses.
- Florence Nightingale changed nursing in different ways.

Key Vocabulary – Top 5!

- **spread** – to move and go from one place to another.
- **pledge** – a promise you make.
- **profession** – a job that someone does.
- **legacy** – what someone leaves behind for others to remember.
- **significant** – something or someone that made a big change.
