

## What I need to know by the end of this unit:

- Titanic was a very big ship which sailed in 1912.
- The ship had three 'class' areas.
- Life on board was very different for passengers based on their class.
- Titanic struck an iceberg on April 14<sup>th</sup> 1912.
- Titanic sank on April 15<sup>th</sup> 1912.
- The ship split in two when it sank.
- Sources give historians evidence or answers.
- The sinking could have been avoided.
- There are many reasons which led to the sinking.
- Safety measures are in place today because of the Titanic disaster.
