

# Year 5 – Spring – What was the significance of the Tudors on England and beyond?

## What I need to know by the end of this unit:

- The Tudor period was from 1485 to 1603.
- Key Tudor monarchs included Henry VII, Henry VIII and Elizabeth I.
- Tudor towns were busy, dirty and crowded.
- There were clear differences between the lives of the rich and poor.
- Tudor jobs included basket weavers, merchants and noblemen.
- Sports such as jousting, football and tennis became popular.
- *Mary Rose* and *The Golden Hind* were significant Tudor ships.
- Historians learn about life in Tudor times and what it was like on board by studying artefacts and the wreck.
- Portraits of monarchs used symbolism to show them in particular ways or to demonstrate their character and leadership.
